2402-Confessions From The Bathroom. There are things in this book that happen to all of us that none of us ever talk about. The Gas Station Dump, for example, or the Corn Niblet Dump, the Porta Pottie Dump, the Sunday Newspaper Dump to mention just a few.

2403-The Good Bonking Guide. Bonking is a great new British term for doing "you know what". Covers bonking in the dark, bonking with foreigners, bonking all night long, improving your bonking, kinky bonking and everything else you've ever wanted (or maybe didn't want) to know.

2404-Sex Slave: How To Find One, How To Be One. What it takes to be a Sex Slave, how to pick up Sex Slaves, the fine art of sexual groveling, 6 never-fail opening lines and 6 good things to know about break-away clothing -- and more than you ever imagined.

2405-Mid-Life Sex. Mid-Life Sex is taking all night to do what you used to do all night, talking your wife into visiting a nude beach, being tolerant of farts under the covers and having biological urges dwindle to an occasional nudge.

2406-World's Sex Records. Lists the greatest sex records of all time, including the world's most successful personal ad, the kinkiest bedroom, the most calories burned during sex, the cheapest escort service and the greatest sex in a car -- plus many more.

2407-40 Happens. When being out of prune juice ruins your whole day, you finally fulfill your book of the month commitment, you can no longer party for 24 hours straight and you realize anyone with the energy to do it on a weeknight must be a sex maniac.

2408-30 Happens. When you no longer party all night long, you take out a lifetime membership at your health club, and you still wonder when the baby fat will finally disappear.

2409-50 Happens. When you remember when "made in Japan" meant something that didn't work, and you can't remember what you went to the top of the stairs for.

2410-Bosom Buddies. Uncovered at last--the truth about women's bouncy parts: they're probably talking to each other! This book tells us what they would say, if only we could hear them!

2411-The Geriatric Sex Guide. It's not his mind that needs expanding, and you're in the mood now, but by the time you're naked, you won't be!

2412-Golf Shots. Humorously tells you how to look for lost balls, what excuses to use to play through first, ways to distract your opponent, and when and where a true golfer is willing to play golf.

2413-101 Ways to Improve Your Husband Or Wife. Covers how to keep your wife from losing your socks, teach your husband to clean a toilet, drive your wife crazy, and lots more.

2414-60 Happens. When your kids start to look middle-aged, when software is some kind of comfortable underwear, and when your hearing is perfect if everyone would just stop mumbling.

2415-Birthdays Happen. When you realize your Mom may not be the greatest cook, when your biological urges dwindle to an occasional nudge, and you realize that your hairline is not receding but that your forehead is growing.

2416-The Absolutely Worst Fart Book. What is the Absolutely Worst Fart? Is it The First Date Fart, The Oh My God Don't Let Me Fart Now Fart, The Lovers' Fart, The Doctor's Exam Room Fart? There are many many choices. You choose.

2417-Women Over 30 Are Better Because... Their nightmares about exams are starting to fade, their handbags can sustain life for about a week with no outside support whatsoever, and they can eat a double hot fudge sundae and not "break out".

2418-9 Months In The Sac. A humorous look at pregnancy through the eyes of the baby, such as: why do pregnant women have to go to the bathroom as soon as they get to the store, and why does baby start doing aerobics when it's time to sleep?

2419-Cucumbers Are Better Than Men Because... Cucumbers never miss the toilet, cucumbers are always ready when you are, cucumbers won't ask "how's your diet?" at the dinner table, and cucumbers will never hear "yes, yes" when you're saying "NO, NO."

2420-Happy Anniversary: A How To Book For Husbands And Wives. This book takes all those embarrassing moments, crazy quirks, and irritating habits of your spouse, and helps you laugh at them. Learn how to deal with passion on weeknights, bathroom habits, party antics, and much, much more.

2421-Honeymoon Guide. Every IMPORTANT thing to know about the honeymoon — from The Advantages Of Undressing With The Light On (it's slightly easier to undo a bra) to What Men Want Most (being allowed to sleep right afterwards without having to talk about love).

2422-Eat Yourself Healthy. Calories really only add up if the food is consumed at a table. Snacking and stand up nibbling don't count. The four food groups are pizza, ice cream, chocolate, and egg rolls. Green M&M's are full of the same vitamins found in broccoli and lots of other useful eating information your mother never told you.
